Parents and Guardians,

We wanted to take this opportunity to share with you some important information in reference to our upcoming school closure. This is the most recent information we currently have.

1. Based on direction from Kentucky Department of Education and the Governor of Kentucky, Corbin Schools will be closed beginning on Monday, March 16 and opening back up on Monday, April 13.
2. These days will be NTI days and students will receive work in the same manner as a typical snow day.
3. The KHSAA has asked us to treat this time off the same as a "Dead Period" meaning that there is no athletic practice, competition or meetings allowed.
4. The Commissioner and Governor have asked us to limit any gatherings of students or staff, therefore students will not be allowed in buildings or school facilities until school reopens.
5. Our Food Service Department will begin feeding students on Monday, March 16 at 11:30am at Corbin Elementary School, they will be handing out breakfast and lunch each day from this location. The front door will be utilized as the pick-up area for food. If you should have trouble getting to this location, please call (606)528-1303.

Lastly please encourage your child wash their hands frequently and practice social distancing. If possible, please encourage your child to avoid crowds, and if they should feel sick, please stay at home. If there is anything we can do to help during this anxious time, please call 606-528-1303.

Thank you,

David Cox
Superintendent
Corbin Independent Schools
