CONSENT FOR WELL-CHILD EXAMS

As part of overall health care for children, the school requires Kindergarten and 6th Grade Well Child Exams and it is recommended that all children have a Well Child Exam on a yearly basis. The Nurse Practitioner can complete the exam if you want to get your child's check-up through the school clinic. **All you need to do is sign below giving permission if you would like us to complete your child's Well Child Exam or School Grade Entry Exam.**

If your child has already had a well-child exam or the required school check-up at their primary care physician's office, please forward a copy of it to the school as soon as possible. Well Child exams are billable and will be billed to your insurance/medical card. Although, for private insurance NO COPAY will be billed to you because the children's well-child exams are covered 100% by insurance. So it will be **NO COST** to you.

All of the exam can be completed at the school clinic EXCEPT for any required immunizations (shots) because we are not able to bring the vaccines to school. **If your child needs a physical that requires vaccination,** the school nurse will help you schedule an appointment with your child's physician or the health department.

___ **Yes**, I would like for Grace Community to complete my child's exam at school.
