

## WHAT IS OFFERED?

Corbin High School is partnering with the University of the Cumberland to offer students an opportunity to earn college credit while fulfilling high school requirements at a cost ranging from \$50 to \$199 for 3 credit hours. For the 2013-2014 school year, students may choose from 5 on-line courses and 6 courses taught by Corbin High School instructors as part of students schedule.

On-line courses include:

- Criminal Justice
- Political Science
- Psychology
- Sociology
- World Civilization

\*On-line courses are subject to change for the next academic year.

On site classes include:

- English 131 and English 132
- College Algebra
- College Chemistry
- US History 231 and US History 233

Corbin High School instructors must have completed 18 hours of graduate work in their content specialty to be qualified to teach dual credit courses. Teachers must also consult with the University of the Cumberland for course requirements and syllabus topics.

## WHO IS ELIGIBLE?

This program is open to juniors and seniors who meet the criteria listed below.

Students taking courses offered by Corbin High School instructors must meet 2 of the 3 criteria listed below.

## WHAT WILL THIS COST?

Online Courses will cost \$199 and may be paid in installments.

Courses offered by Corbin High School Instructors cost \$50.

Students who would find this cost to be a financial hardship may apply for the Mary Jo Young Scholarship in May. This scholarship pays up to \$420 and textbook reimbursement up to \$125 per course. There is an application process that is based on financial need. This application will be available in the guidance office.

## WILL THE COLLEGE CREDIT TRANSFER?

After a check with the colleges and universities attended by Corbin graduates, credits earned through this program will transfer as credit earned. However, if students are majoring in medicine or pharmacy the final institution may require students to take the college chemistry required for their program and degree.

## SPECIAL NOTE

To be eligible for KEES money students may not earn more than **29** college hours prior to graduation from high school.

## HOW DO ON-LINE COURSES WORK?

Corbin High School provides students taking on-line courses an IPAD lab and a course facilitator. Students use the IPADS during class to do assigned readings, complete assignments, and communicate with a professor from the University of the Cumberlands. The classroom facilitator helps students with login issues and ensures students are attending to their on-line responsibilities. All work is graded by the university professor and credit is granted from the University of the Cumberlands.

## ANOTHER OPTION FOR COLLEGE CREDIT

Students may also earn college credit while in high school through the ECU NOW! Program with Eastern Kentucky University. Students may take one class per semester at no charge. Juniors and seniors must have a 3.0 gpa and ACT scores on file with ECU at the time of application. Seniors may take an additional class at no charge if they have an ACT composite of 24 or higher. If seniors have an ACT composite of 21-23, the additional class will be one half of the instate tuition cost. If accepted, students will be responsible for the cost of books and class fees. Application deadline for fall semester is July 1 and spring semester is November 1. Students must complete an application for acceptance.
