

Non-Traditional School Day Informational Sheet

Top 5 District

What is a Non-Traditional School Plan?

Corbin Independent Schools has been selected to participate in a Non-Traditional Day Waiver. This means that Corbin Schools will be allowed to deliver content to students in a digital **OR** hard copy format for student use during the closing of schools due to unforeseen circumstances (snow, flu, etc). Students will be counted in attendance that day provided they complete work given to them by their teachers. All work will be counted as a classroom grade. Staff will utilize an online presence through Schoology **OR** provide students with hard copy work material. The plan is to reduce ineffective make-up days at the end of the school year and to provide a continuum of instruction in a timely manner.

Delivery:

Digital or hard copy content will be available for students on Non-Traditional School Days. Three days of school work will be provided at one time in the event multiple days are missed. The work will be available through Schoology or hard copy packets provided by each school. Schoology can be accessed at corbinschools.org under the students tab.

Preparation:

Teachers are providing opportunities for students to access content digitally and flip the classroom.

When:

The plan will be instituted beginning on the first missed school day and will continue as needed.

Content:

Instructions for accessing digital content will be provided throughout the school year. Hard copy material will be sent home periodically during the year in order to keep assignments current.

Communications:

A call will be sent out to all students, parents, and staff announcing Non-Traditional Days.

Accountability:

Students will be required to complete all tasks assigned during a non-instructional day.

Availability:

Teachers are required to maintain a minimum online presence from 8:00 AM-11:00 AM And 12:00 PM-3:00 PM. Parents or students can also call the school and leave a message with the principal.
